Glorifying and praising God as we accomplish His work, by sharing the truth about eternal life; becoming one in the body of Christ, teaching them Biblical principles and being set apart for the ministry of God.

December Messages: - The greatest gift we have ever been given started at Christmas. Have we received the gift of Jesus and all that is with it?

Pastor's Corner

Everyone likes to receive gifts at any time of year. We often look forward to special days such as birthdays and Christmas because we enjoy it when people who love us give us gifts. The biggest problem though is that we have to wait for these times of year to really receive these gifts. There is a gift that we can receive at any time and it is the greatest gift that we could ever have. The gift of Christmas is not simply a baby in a manger it is the complete package of a new life now through forgiveness and hope along with the offer of eternal life. The baby that came was no other than God Himself to take away the sin that we have committed in our lives. If we admit to Jesus that we have sinned and tell Him that we both believe that He can and will forgive us we can have a new life now and eternal life to come. Once we have this gift may it be visible for everyone to see.
